FOR OVER 36 YEARS**

M&R Auto Center is a family-owned business that has been meeting its customers' auto service needs since 1982. What began with Earl Martin as a one-man shop has evolved into a thriving independent repair shop.

Second-generation owner Ryan Martin and his team of 14 employees operate a full-service auto diagnostic and repair facility that includes a full-service collision center as well as a modest pre-owned car sales lot.

M&R Auto Center can meet all of your auto needs, from routine maintenance and inspections to check-engine lights and exhaust repair. They also offer fleet, notary and towing services.

As a family-owned business, their customers come first. Their goal is to establish long-term relationships with their customers, where they get to know them and their vehicles personally. They give honest answers and strive to provide excellent service.

If it's auto-related, M&R Auto Center can help. Hours are 7:30 a.m. to 5:30 p.m. Monday through Friday. For more information, visit www.mrautocenter.com.

FAVORITE LAW FIRM FOR IMMIGRATION LAW
AND VOTED A FAVORITE LAW FIRM FOR FAMILY LAW

Chan & Associates

FOR FEARLESS AND SMART LEGAL REPRESENTATION,
CONSULT THE ATTORNEYS AT **CHAN & ASSOCIATES**

Wendy Chan

Seth Lupton

McKenna Adams

For the second consecutive year, Chan & Associates has been voted as one of Lancaster County's Favorite Law Firms!

Established in 2009, owner Wendy Chan Esq., has developed a team of attorneys who are dedicated to the facets of Immigration, Crimmigration and Family law. On top of all of their work through these avenues, they are also dedicated to the community which is reflected in all they do.

The attorneys have been taking the changes in Immigration Law seriously and continue to work diligently with members of the community to protect the rights of those who are compromised through this difficult time.

Chan & Associates continue to give back to the community. They have often encouraged young students who are interested in law to accompany them to court. Moreover, the attorneys continuously provide *pro bono* services for custody, Protection From Abuse, and child support matters referred to them from MidPenn Legal Services. They also take immigration related custody cases from Church World Services, and Pennsylvania Immigration Resource Center. They continue to provide *pro bono* support for immigrants detained in York County Prison.

What sets Chan & Associates apart from other law firms in the area is that they are a family and strive to treat their clients the same. Chan & Associates are parents who understand what goes into raising

children. Their personal experiences with the immigration process allows them to understand the unique challenges that come with being an immigrant in this country and navigating the complex legal system.

The Market at Oregon Dairy has been a staple of the Lancaster County community for generations. What began 40 years ago as a mom-and-pop dairy store has grown into a supermarket, family restaurant, award-winning bakery and entertainment destination – all on a real working farm. Many families enjoy spending time having some of Oregon Dairy's famous ice cream which is made with milk from their own cows. Their farm activities get kids and grownups excited about local farming while having a lot of fun. Seasonal events, like the corn maze and the pumpkin patch, mean there's always entertainment for the whole family at Oregon Dairy. Unlike big chain supermarkets, The Market at Oregon Dairy knows where their produce comes from and has personal relationships

with the people that grow their food. The staff at Oregon Dairy prepares every Pennsylvania Dutch dish by hand, using only the most authentic local recipes. The Farmstead at Oregon Dairy is always serving up farm fresh family fun!

THANK YOU FOR VOTING US YOUR FAVORITE BREAKFAST IN LANCASTER ONCE AGAIN, AND YOUR FAVORITE DINER FOR THE 8TH YEAR IN A ROW!

No matter what time hunger strikes, you can be sure to satisfy it at the Park City Diner and Coffee Shop.

It has been serving customers 24 hours a day, every day, since 2010. In fact, the diner has not closed its doors once since Christmas 2010.

Park City Diner and Coffee Shop serves its extensive breakfast menu any time of day, including a variety of omelets, pancakes, French toast, breakfast sandwiches, steak and eggs, pastries and more. For lunch and dinner, people travel from far and wide just to try their crab cakes, but their menu also includes burgers, gyros, salads, homemade soups, open-faced sandwiches, melts, hand-cut steaks, seafood, Italian specialties and more. They also offer daily specials.

With its convenient location and extensive menu, Park City Diner and Coffee Shop is the perfect place to jump-start your day, enjoy a main meal, grab a quick bite or satisfy a late-night craving.

Park City Diner and its sister location, Knight & Day Diner in Lititz, are both open 24 hours a day, seven days a week. Both diners have a friendly atmosphere and a very pleasant staff with many faithful customers that dine with us for at least one meal a day. They are known for their great prices and extra large portions—no one will leave hungry!

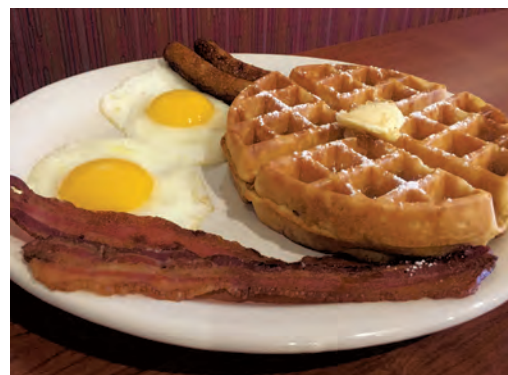

For more information, visit parkcitydiner.us and kniddiner.com or search Facebook for **Park City Diner**.

Caruso's

CARUSO'S IS A FAMILY-OWNED RESTAURANT THAT HAS BEEN SERVING THE LANCASTER AREA FOR OVER 35 YEARS.

Ignazio and Rosella Caruso opened Caruso's Italian Restaurant and Pizzeria in Neffsville on April 15, 1983. Still family-owned today, Caruso's continues to uphold its Italian family legacy through good food, drink and hospitality.

More than 3 decades later, Caruso's is still dedicated to making delicious food with the finest quality ingredients at a modest price. They pride themselves on serving the freshest food, made with high-quality imported olive oil, cheese and flour, as well as local produce. They also offer gluten-free options.

Caruso's authentic Italian dishes include specialty pizzas, homemade sauces, soups and dressings, and their signature lasagna. All of their bread is homemade, too.

You can enjoy a friendly dine-in experience or pick up your order from the counter. They also can provide catering for any occasion.

AWARD WINNING HOME IMPROVEMENT CONTRACTOR

GeorgeJGrove.com

In 1954, the late George Grove Sr. started what was later to become George J. Grove & Son Inc. He was one of the county's leading installers, offering customers a complete line of home improvement services. The Manheim Pike business started out in George Sr.'s home with one pick-up and George Sr. as the sole proprietor and only employee.

George J. Grove Jr. entered the business at a very early age, assisting his father and grandfather, Cleon Grove Sr., with installations. The business moved from George Sr.'s home to a shop on Cabbage Hill. In 1973, the business incorporated, and then moved to their current location at 1219 Manheim Pike.

In keeping with family tradition, George

J. Grove III also entered the business at a very early age, bringing with him the same passion and attitude his grandfather had when he started. The Groves have built their business on a firm belief in a quality product and installation, professionalism, integrity and fairness in their relationships with their customers.

As president and vice president respectively, George J. Grove Jr. and George J. Grove III currently employ a team of 18. The company strives to establish lasting relationships with their customers by exceeding their expectations and gaining their trust through fair prices and exceptional customer service. They have been loyal members of the community for over 56 years.

Their services include replacement windows and doors, roofing, premium vinyl and fiber cement siding, stone veneer, spouting, gutter protection systems and patio enclosures. They also carry skylights, railing, decks, retractable fabric and metal awnings, and shutters. All come with an extended manufacturer's warranty and are installed by their quality trained professionals.

OF SUPERIOR SERVICE AND GROWTH**

EXCEEDING CUSTOMER EXPECTATIONS

Greenawalt Roofing operates every day with the goal of achieving 100 percent customer satisfaction by doing whatever it takes to exceed expectations.

We look forward to continued growth within Lancaster County and surrounding areas.

Greenawalt Roofing Company started out as a small business and is now celebrating 15 years of business, and 15 years of growth and superior service.

Greenawalt Roofing Company is a CertainTeed 5-Star Select ShingleMaster – a hard-earned designation only 2 percent of all contractors in North America attain.

Greenawalt Roofing Company has built a trustworthy reputation with homeowners throughout the Lancaster area by way of excellent service, reliable products and strong warranties. In addition, the company earned CertainTeed's Diamond Level Customer Approval recognition. The honor is given to companies who have an overall rating of 4.5 or higher on a 5-point scale

in their TrackRecord program. Fewer than 30 companies in North America attained Diamond status in 2018.

Founded in 2004 by Travis Greenawalt, Greenawalt Roofing Company is family owned and operated. The company currently serves commercial and residential property owners in the Lancaster, York, Harrisburg and Reading areas, with plans to expand further. The company has both a retail team and a dedicated storm team that helps homeowners who have experienced wind and hail damage restore their property to its original state by offering free damage inspections and working with the insurance company to ensure all damage is covered.

Greenawalt Roofing Company recently moved into their new location at 3530 Marietta Ave., Lancaster, which includes a showroom to better serve current and future customers. The

showroom offers a space for customers to speak with an onsite representative, choose the color of their shingles, siding and gutters, and view samples of doors and windows.

Along with the new state-of-the-art showroom, Greenawalt Roofing Company has added new innovative technology to further benefit its customers. The new platform enables the retail and storm teams to create more accurate estimates. It also allows customers to visualize their home renovations – including different products and colors – on an interactive 3D model.

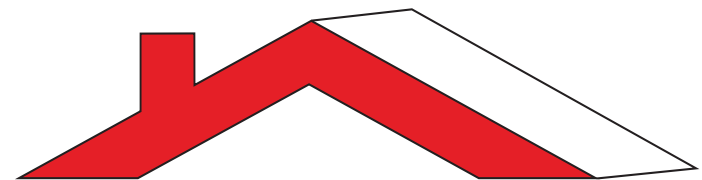

Hours of operation are 8 a.m. to 5 p.m. Monday through Friday and by appointment Saturday and Sunday. The company is currently offering \$150 off of any service of \$1,500 or more.

It is an honor for Natural Stoneworks to receive the Reader's Choice Award in the Best Custom Countertops category. Every year we work hard to deliver timely and excellent projects. Tomlinson Bomberger Lawn Care, Landscape & Pest Control

A FULL SPECTRUM OF RESIDENTIAL AND COMMERCIAL
SERVICES ARE PROVIDED BY **TOMLINSON BOMBERGER**

Thank you to the readers of LNP for again voting us #1 in a host of categories! Tomlinson Bomberger has been meeting Lancaster County's residential and commercial lawn care, landscape, tree care, and pest control needs for many years. Since 1981, we've been trusted by residents of this community. Over 120 coworkers offer a wide spectrum of services to meet the needs at every property. Whether it's lawn fertilization and weed control, tree and shrub treatments, professional tree pruning and removal, planting, hardscaping, structural pest control, termite treatments, or tick and mosquito control, Tomlinson Bomberger sets the bar for professionalism and excellence. Recently, the Spotted Lanternfly has become

a concern for many clients. This invasive pest is damaging trees across eastern Lancaster County, and has started moving closer to Lancaster City. They secrete a sticky, syrup-like substance when feeding called "honeydew." They also feed in massive swarms and this fact, paired with the honeydew, makes them pretty gross to say the least.

This year, we've become the go-to experts for your questions about the Spotted Lanternfly. We've been working with experts from Penn State and the USDA to ensure that we're offering clients the most up-to-date information and management practices. Call our office or check out our blog for more information about Spotted Lanternfly, as well as all of our services. We'll turn pretty gross into pretty much gone.

Cavod Academy of the Arts

WE CREATE WITH PURPOSE

Cavod Academy of the Arts offers a Godly environment that inspires excellence in the arts, with the goal of building community and impacting lives.

Cavod currently offers a variety of performance art classes in dance, acting, music, gymnastics, and more. These courses are designed to provide students with an opportunity to explore the arts while challenging them to achieve a standard of excellence. Scholarships are available.

We are pleased to be able to provide our students with a safe haven for their learning experiences. Our Academy strives to be free from sensual and provocative influences, and our choreography and costumes are modest

in nature. We carefully screen all music for offensive language, ideas and undertones, and we ensure that all of our themes carry a positive life-affirming message. Offering opportunities for professionals and community members alike, Cavod Theatre is a thriving live theatre that seats approximately 200 and presents Broadway musicals and plays year-round.

We believe that you will find Cavod Academy of the Arts to be a morally suitable environment for all members of your family. Cavod, pronounced kah-vohd, is a Hebrew term, defined as God's glory, honor, majesty and His visible splendor. In all that we do at the Academy, we desire to make His creativity visible, and to share His glory, honor, majesty, and splendor all over the world through the arts.

For more information about classes and auditions, or to purchase tickets to our upcoming shows, visit **cavod.org**.

Create with Purpose

At Cavod, we offer a Godly environment that inspires excellence in the arts to build community and impact lives.

"My daughter has grown not only technically, but spiritually as well. She found her thing and a place to call home!" - Jennifer Juntio Houck

We are creating a community where students feel safe, loved, and accepted. Cavod is a family and everyone is welcome!

Cavod offers weekly classes in dance, acting, gymnastics, music, and hand-to-hand combat for students ages 3 through adult. We also provide a class for individuals with intellectual and developmental disabilities and an early arts exploration program. Over the summer, we provide an arts camp, musical theatre camps, intensives, and more.

ARGIRES MAROTTI Neurosurgical Associates of Lancaster

NEUROSURGEONS THAT WORK WITH YOU TO RELIEVE YOUR PAIN, ENHANCE YOUR BODY'S FUNCTION AND IMPROVE YOUR QUALITY OF LIFE.

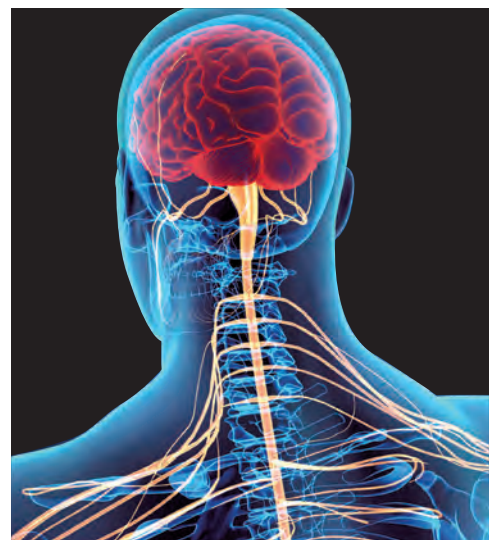

Deep Brain Stimulation (DBS) is a well-established therapy that has been FDA approved in the U.S. for over 25 years. It is most commonly used to treat Parkinson's disease, as well as tremor. It is a minimally invasive and extremely effective procedure in which patients usually leave the hospital in less than one day.

Dr. Steven Falowski comes to Argires-Marotti neurosurgical associates of Lancaster being fellowship-trained in this therapy and a nationally recognized leader in the field. He has previously run a top 10 program in the country and is a national leader in research, presentations and education.

The therapy is meant to treat the motor symptoms of Parkinson's disease, as well as treat tremor from many causes, such as essential tremor. The procedure involves using small, minimally invasive incisions to implant electrodes into the brain that connect to a pacemaker-type battery in the chest. The implant is not visible and is below the skin. Patients return home either the same or next day. Dr. Falowski seeks to bring awareness and the therapy to the Lancaster area.

Argires Marotti Neurosurgical Associates of Lancaster, led by neurosurgeons Perry Argires, M.D., FACS, and Louis Marotti, M.D., Ph.D., is based at 233 College Ave, Suite 201. For all appointments, call 717-358-0800.

Campus Eye Center

CENTRAL PA'S MOST COMPLETE EYE CENTER, **FOCUSED ON YOU!**

As another summer begins to wind down and you make the back to school list for your children don't forget to include an eye exam at the top of your list! The American Academy of Optometry recommends comprehensive eye examinations at 6 months of age, 3 years, and prior to beginning school. A pediatric optometrist or ophthalmologist can evaluate a child's refractive error, eye teaming ability, and ocular health all before they are able to verbalize what they can see. Early treatment is essential to eliminate preventable vision impairment in children. The majority of children with visual difficulties do not complain due to their inability to differentiate between clear and poor vision. Parents should be aware that a child with a vision problem may squint, sit or hold items at a very close distance, tilt their head to one side, cover or rub their eyes, or show no signs at all.

Approximately 80% of learning is visually based, therefore undetected and untreated visual problems can negatively impact a child's ability to reach their full academic potential. Lastly, vision is not solely based on the ability to see "20/20," during a visit with an eye care professional a child's focusing ability and binocular (eye teaming) system will also be assessed.
