## Be part of the Extraordinary Give

### WHAT IT IS:

Lancaster County's community wide celebration of giving! For 24 hours, donate online to more than 500 local organizations at ExtraGive.org and the Lancaster County Community Foundation, Rodgers & Associates, High Foundation and other sponsors will stretch your dollars with more than half MILLION DOLLARS in additional funds and prizes! That means every gift goes the extra mile for our community.

### WHY WE'RE DOING IT:

The Lancaster County Community Foundation works to make people's ideas and investments do more for our community. Our work is to embolden you, your passions and your hopes for Lancaster County, because together we're extraordinary!

### HOW IT WORKS:

1. On Nov. 20, visit ExtraGive.org from any computer or device..
2. Visit the pages of more than 500 organizations and learn how their work impacts Lancaster County.
3. Make an online donation to an organization that is important to you (minimum \$10) and every dollar donated will be stretched!
4. Each organization then receives a percentage of the half MILLION-dollar stretch pool. So, if an organization raises 3% of the day's donations, they will receive 3% of the stretch pool!

### HOW YOU CAN GET INVOLVED:

- Mark your calendar for Nov. 20.
- Visit ExtraGive.org to see the Participating Organizations and learn how their work enriches our community!
- On Nov. 20, give to the causes that are important to you (minimum just \$10!)
- Let us know why YOU give extra with #IGiveExtra! Post your video on social media, and submit it at ExtraGive.org to be included in the special livestream: ExtraGive CAST
- Be a Fundraising Champion for your favorite organization, and help crowdsource more support for the causes you care about. Sign up at an organization's page!
- Tune into Extra Give CAST starting at 5 p.m. on ExtraGive.org for a special digital experience designed to create a safe and socially distant way for you to enjoy the 2020 Extraordinary Give from the comfort of your home!

### BE PART OF IT! EXTRAGIVE UNIFIES LANCASTER COUNTY

Come together around something we all care about: Lancaster County.

Extraordinary Give is a day that brings people together in Lancaster County. While we all hold individual perspectives on many issues, our community can be proud of a day that unites us in our commitment to the causes that are important to us, and the thing that makes us extraordinary: our people (and animals!).

Last year, not only did we support hundreds of causes, we saw more new donors than ever before!

This year, back by popular demand, donors can give as little as \$10 and still have their gift stretched for the cause they care about! We've proven time and again that as a community, we can do extraordinary things. And the more members of our community we can get involved, the more extraordinary it gets. Together we can make the 2020 ExtraGive the most inclusive yet!

# Reaching Extraordinary heights

Since 2012, the Extraordinary Give has raised more than \$50 million for more than 500 organizations, engaged more than 60,000 donors across Lancaster County and earned thousands of new donors for organizations!

Donations per capita in Lancaster County are among the most generous in the nation, and it's all thanks to the dedication of participating organizations, members of our community and the sponsors who help stretch each dollar. This year, even in the midst of our

global pandemic, our extraordinary sponsors have stepped forward with generosity and commitment to Lancaster County. Thanks to our Presenting Sponsors Rodgers & Associates, High Foundation and all our extraordinary community partners, this year's stretch pool is more than a half MILLION dollars! That means that every dollar donated at ExtraGive.org on Nov. 20 will go the Extra mile for our community. Thank you!

THANK YOU TO OUR 2020 PRESENTING SPONSORS

At the Community Foundation, we embolden people's ideas and investments to do more for Lancaster County. Since 1924 we've been helping people establish permanent funds for the causes they care about and making grant investments to organizations that create a stronger and more vibrant quality of life for all of us.

TODAY WE MANAGE MORE THAN

**\$100 MILLION**  
IN COMMUNITY ASSETS

THAT HELP SUPPORT LANCASTER COUNTY EVERY YEAR.

These resources are unique because they mean that this year, and every year, the Community Foundation will invest a portion of this money back into local organizations addressing the emerging needs of Lancaster County.

# Ways to get involved in the ExtraGive

## Be a Fundraising Champion for your favorite organization!

The Extraordinary Give's online platform, ExtraGive.org, presents a great opportunity for individuals to support their favorite organizations in new and creative ways! Becoming a Fundraising Champion allows people to activate their friends, families, co-workers and more for the causes they care about.

By signing up as a Fundraising Champion on an organization's page, you can create your own custom profile that will tell your story using text videos or photos, set your own goal to raise, and

have your own URL to share with your friends and family so they can support you on Nov. 20.

Last year, more than 1,200 people joined causes they care about as Fundraising Champions and raised more than \$600,000!

Want to help beat that total in 2020? Click "fundraise" on a participating organization's profile and join the team. It's free, fun and a great way to help a cause you care about go the EXTRA MILE!

## Show unity: Reuse your political yard signs!

Don't throw away your 2020 election signs yet! In the spirit of unity, we're offering decals to transform your election yard sign into an ExtraGive sign. This is a great way to

repurpose any yard signs and cut down on waste! Simply apply the sticker to your existing yard sign and be part of a movement that connects us all.

## An ounce of prevention...

...is worth a life well lived.  
...is worth many lives saved.  
...is worth a thriving community.

Studies show that for every \$1 invested in prevention, up to \$18 is saved in long-term costs to society. Please join us in supporting addiction prevention in Lancaster County at the upcoming Extraordinary Give on Nov. 20.

*Will you be our neighbor?*

## Hello, we are The Salvation Army.

Since 1891 The Salvation Army has been working to meet the spiritual and physical needs of the downtrodden in the Lancaster community.

Most people know us for the Red Kettle and ringing the bells at Christmas time or providing high-quality threads at our thrift stores.

But what about what people don't know about The Salvation Army? We are so much more than a kettle and a thrift store!

The Salvation Army has experienced (like everyone else) the challenges of navigating our services to our community amidst the COVID-19 pandemic. We continue to provide services in the following programs.

- **The Pathway of Hope Initiative.** This program puts a stop to intergenerational poverty by helping lead families down a path toward increased stability and self-sufficiency.
- **Coats for Kids**, a program that distributes coats, scarves, hats, and gloves to 1600+ of Lancaster's children and adults for protection from freezing weather.
- Our **Family Services Program** has provided over 150,000 meals to over 11,000 persons during the Covid19 Pandemic. We have also been able to help with rent assistance (\$22,000-29 families) and other important provisions to help our neighbors get through this pandemic.
- **Children's Programs.** We offer character building programs to school age children via livestreaming/zoom, etc.
- **New Beginnings Program.** We provide 21 housing units and comprehensive services to men who have successfully completed our drug and alcohol rehab program.
- **Community Outreach.** Residents at Nursing homes/Boarding homes continue to be offered physical and spiritual support through visitation, food donations, correspondence and prayer availability.

Why do we do it? It's simple. We believe everyone in the neighborhood is part of the family; and we are dedicated to building a community where everyone is given the opportunity to live a better life. We want to be a church for you to grow in, a community for you to belong to, and a charity for you to turn to.

**We are so much more than a kettle and a store.**

We are The Salvation Army. Nice to meet you. Will you be our neighbor?

**You make good things happen when you donate to [www.ExtraGive.org](http://www.ExtraGive.org)—click The Salvation Army.**
