With the Louisiana Press Release Service

Distribute your press release to Louisiana's newspapers

LPA can distribute your press release to Louisiana's Newspapers for the low price of \$100. Send your press release to the Louisiana Press Association via e-mail at mike@lapress.com (preferred format is Microsoft Word or PDF) and it can be distributed that day to Louisiana's Newspapers. Photographs can also be included with your press release (either tiff or jpeg) at no additional cost.

LPA can also distribute your press release to Louisiana Broadcasters

In addition to newspapers, LPA can also distribute your press release to Louisiana's Broadcasters. If you choose to have your release distributed to both print and broadcast outlets the total cost is \$215, or you can choose print and television for \$130. By doing so, you can ensure that virtually all of Louisiana's media outlets will receive your release and be aware of your news.
