Sunday Morning Prayer and Holy Communion 10:30 a.m.

We are open hearts, open minds, open doors.
Our foundation is Holy Scripture, Tradition and Reason
"God is still speaking."

Our prayer life is centered around the Scripture, Daily Office and the Book of Common Prayer. Our deacons, priests, bishops, and archbishops can be women or men and married.

We also have numerous monasteries and convents. Holy Baptism is very important.

Because it is the Lord's table, all are invited and welcome to receive and partake.

By the grace of the Spirit seeking to be an open community, walking in the Way of Jesus, engaging in an ever-changing world, and living a faith that is timeless, yet contemporary, thoughtful and compassionate.

St. Peter is on the National Registry of Historic Places. We are the oldest Episcopal Church in western Pennsylvania of continuous use and the second oldest west of the Alleghenies.
