Hi I'm Jordan Omlor running to be your new State Representative. I believe I have a better chance of winning than my opponent by working to bring in the next generation of voters. As a newly retired veteran, I'm laser-focused on the affordability of normal lives. We need well-paying jobs, lower healthcare and affordable housing. I'll listen to and vote for your welfare, not that of corporate donors.

Please Vote Jordan Omlor May 19th. Thank you.
