LATROBE BUSINESS REVIEW

FEATURING BUSINESSES IN THE GREATER LATROBE AREA

this month's feature

TROPICAL SUNSATATIONS

At Tropical Sunsatations we believe everyone deserves that perfect, sun-kissed glow — year-round. For over a decade our locally-owned salons have offered high-quality sun and spray tanning, along with red-light therapy and teeth-whitening services, in a relaxed and welcoming atmosphere.

Whether you walk in for a quick session in our premium tanning bed or schedule a custom spray-tan for an upcoming event, our experienced team is here to make it effortless. We also carry a full range of professional tanning lotions and skincare products to prepare and extend your tan so you look and feel your best long after you leave.

We know busy lives mean flexibility matters. That's why our convenient locations in Latrobe, Greensburg, Murrysville and Delmont are open for walk-ins and appointments. No reservation needed — just stop by, and we'll help you choose the right service and equipment for your skin type and schedule.

New clients are welcomed with a special offer and guided by our staff in selecting the ideal tanning option and after-care regimen. Need to tackle fine lines or refresh your skin tone? Ask about our POLY skin-rejuvenation treatment or red-light therapy sessions.

At Tropical Sunsatations you'll receive safe, professional service in a bright, clean environment, plus the confidence that you're working with a team dedicated to your glow. Come see us at any of our locations or call today to learn more. Let the sunshine stay with you, no matter the season.
