

In Loving Memory of

Elsie J. Bossart

On Her Birthday

7/7/32 — 1/9/14

We miss the smile on your face,
The notes and cards in the mail.
To tell us there's food in the pantry,
To help ourselves,
Your phone calls when
They were most needed.
And all the nice things you would do,
And how you could put smiles
On our faces.

*Sadly missed and loved by

and Family*
