

I Know You Don't Want to Vote

Only 18.97% of Westmoreland Co. Republicans
voted last May
(Democrats had 32.8%)

No wonder we lose!

But Your Vote holds immense power. It can:

- Stop open borders with millions of illegals pouring in again
- Stop your struggling while illegals get everything on your tax dollars
- Stop PA illegals from receiving a driver's license with the right to vote
- Stop gun rights from being taken away
- Stop pushing gender transitioning on school children
- Stop Medicare fraud and save our Medicare Program for our future

This is a Call for Extreme Urgency!

*If we lose the House and Senate, Democrats will do this.
Just listen to their words & their votes.*
