

Make an impact in a collaborative care setting- without sacrificing your work-life balance.

Premise Health is proud to partner with **Jackson Rancheria Casino Resort**, seeking a **full-time Nurse Practitioner, Health Center Manager**, for our health center located in **Jackson, CA**.

Job highlights:

- ✨ No weekends – enjoy your time outside of work
- 🕒 Consistent daytime schedule
- 😊 Onsite childcare for added convenience
- 💰 \$5,000 Sign-On Bonus
- 🤝 Work in a collaborative care environment where your voice matters

Your impact:

In this role, you'll deliver **meaningful, patient-centered care** across a variety of needs:

- Chronic condition management
- Acute care visits
- Minor injury & first aid support
- Manages daily operations, staff, and workflow
- Well-woman exams

Be part of an environment where collaboration drives better patient outcomes—and where your schedule supports your life outside of work.

What team members are saying:

"I love that emphasis is placed on spending plenty of time with our patients in order to make the most meaningful impact on their health status, today that's essentially non-existent in other healthcare organizations."

"It's always a great feeling when a patient stops to tell me how much they appreciated the time and care at their Premise Health clinic!"
