Criminal Investigation

*it happened because they heard a loud bang. His teammate and maybe Coach his dad heard it but did not see it. The other kids were in the diamond on the field doing fielding drills. doesn't know anyone who saw it. He remembered someone asked him if he really was shot in the leg with a taser. said he did not get shocked.*

*said no one noticed he had been hurt and they all went back to practice. said he didn't realize he had been bleeding until about five minutes later when he was still on the field and pulled up his pants and looked. did not tell anyone about the injury. There was a hole in his pants and where the hole was there was blood around it on the inside. said his leg is good now and it doesn't hurt anymore and there is a little spot where he can see where it happened.*

*His mom had picked him up and Coach came over to the car but does not remember what he said. Later, talked to some of his friends about it at school and his teammates asked about it. Coach asked how he was doing the next practice. He doesn't feel he has been treated differently since the incident.*

*End of Statement*

turned over grey sweatpants he had been wearing on May 2, 2022 playing baseball. She pointed to the tear in the pants which was visible from the plastic bag she had placed them in. She said she had not washed them since the incident. I transported them to the El Dorado District Attorney's Office where I photographed them and inspected them. I observed they were dirty on both sides and there was a fabric tear just above the right knee which was consistent placement with the photograph of the injury to right leg just above the knee. I turned the grey sweatpants inside out and observed what appeared to be dried blood around the same tear. I booked the pants into our evidence room and the photographs in Karpel with the assistance of Investigative Assistant Smith.

On 06/07/2022 at 0917 hrs., I telephoned Assistant Coach and audio recorded my call with
