

# Interested in Prescribed Burning and Prescribed Burn Associations?

Come hear from a landowner and certified burn boss Phil Dye working to develop a burn plan across a 500 acre ranch

**Friday November 12th, 2021 10:00 – 3:00 pm**

**Pilot Creek Ranch, Pilot Hill, CA (El Dorado County)**

## Meeting Description:

Prescribed fire is a critical tool for managing working rangelands and forests in the Sierra Nevada. This in person workshop will include learning about planning for use of prescribed fire and include a discussion of next steps for forming a prescribed burn association in El Dorado and Amador Counties.

## Who should attend:

El Dorado and Amador county residents and others interested in:

- Using prescribed fire on their own property
- Working with neighbors to increase the use of prescribed fire in the area
- Finding out more about prescribed burning and prescribed burn associations

## Meeting Topics

- Role of prescribed fire in managing ranch lands
- Burn unit planning and preparation
- Integration of Rx burning and grazing
- Working with a burn boss
- Permitting and implementation
- Tools and personal protective equipment
- Next steps for forming a PBA

## Registration

Please register for the workshop at <http://ucanr.edu/rxworkshopregistration>. There is no cost for the workshop but registration will help with workshop planning. Space is limited.
