

FREE EDUCATION SEMINAR

Happy Healthy Feet

Tuesday, August 20, 2019

6:00PM - 7:00PM

Conference Room
Tri-State Memorial Hospital

Presented by
Karl Johnson, DPM
Tri-State Podiatry

For questions call, 509.758.1119

ABOUT THE CLASS:

3 in 4 Americans will experience serious foot problems in their lifetime. Our feet take a beating every day of our lives which can lead to a laundry list of problems. Join Dr. Karl Johnson of Tri-State Podiatry for this FREE information seminar to learn how to keep your feet healthy throughout all stages of life including identification and treatment of common foot and ankle issues, proper footwear, and when to consider surgery.
