Ridgeland High School to Dismiss Early Due to County Water Main Break

Walker County Schools has been notified of a county water main break affecting Ridgeland High School. Due to the disruption in water service, Ridgeland High School will dismiss students at 12:00 p.m. today.

Lunch and drinks will be provided to students before dismissal.

Given the uncertainty of the repair timeline, all students will be taking their Chromebooks home to ensure they have access to any necessary assignments or communications.

We will continue to monitor the situation and provide updates as they become available. Parents and guardians are encouraged to check the Walker County Schools website and official social media channels for the latest information.

We appreciate your understanding and cooperation as we work through this unexpected situation.

Damon Raines
Superintendent, Walker County Schools
