California	San Francisco	Walgreens	YES	behind front register	yes	44.99	2/15	Bigad Shaban	5260 Diamond Heights Blvd, San Francisco CA 94131	urban	Yes. I first went to the pharmacy, which then told me to check with the front cashier. The front cashier didn't know what Narcan was and told me to check back with pharmacy, but then I spotted the Narcan on the shelf behind the front register. Not all employees knew what Narcan is, let alone if they carried it.

Georgia	Atlanta	Walgreens	yes	aisle 30 (pain relief) top shelf	If someone needed to purchase it, they'd have to get an employee to unlock it from the theft-resistant box.	44.99	2/22	JJ McCorvey	595 Piedmont Ave NE, Atlanta GA 30308	urban	I had to ask an associate for help finding it. There was no signage whatsoever, and it was sitting directly behind a metal pole in the aisle. During this project, I kept imagining how, if a customer was worried about stigma associated with Narcan, the process of locating it and then requesting help to unlock and purchase it could be a deterrent.
