

In the United States, Flag Day is observed on June 14th. It recognizes the adoption of the flag of the United States, which happened that day by resolution of the Second Continental Congress in 1777. In 1916, President Woodrow Wilson issued a proclamation that officially established June 14 as Flag Day; in August 1949, National Flag Day was established by an Act of Congress.

Thanks to the sponsors, this printed flag may be used to show celebration of **FLAG DAY**.
