

LYNDSEY LASTER
Poyen Elementary School

Because she teaches with her heart! She worry's about them after they leave each day, after they move up a grade and after they graduate! They aren't just students, they are family to her forever! Her test scores prove her abilities, but her heart shows in other ways.

MOLLY & EMMA
Tiny Scholars Daycare

Jhers's teachers, Molly and Emma, are truly amazing. They go above and beyond every single day to make sure she feels loved, safe, and supported. As a parent, it means so much to receive daily updates and see all the fun, engaging activities they do with her. It gives me peace of mind knowing she's in such caring and dedicated hands. They don't just teach they genuinely care, and it shows in everything they do. We are so grateful for them and the impact they have on Jhers's growth and happiness. They are truly the BEST!
