

We Appreciate Our Police

NATIONAL POLICE WEEK

Honouring Our Heroes

Every day, our local police officers put their lives on the line to protect our neighborhoods and keep us safe. The positive impact of their service and dedication to our communities and our country is invaluable, and we owe them the full measure of our respect and gratitude. During National Police Week, we honor the brave men and women who have made the ultimate sacrifice in the line of duty and recognize those who continue to serve our communities as officers of the law.

To all of the police officers who go above and beyond the call of duty, we thank you for your service. We stand with you, and we keep your safety in our thoughts and prayers during National Police Week and always.
