Rick McClure: Standing for Families, Freedoms and Fewer Taxes

Special to the MDR

I believe government works best when it respects our families, our freedoms, and the money we work hard to earn. One of my top priorities has been lowering taxes. Since 2021 when I first took office, each year I have supported tax cuts. That includes grocery tax relief, the homestead property tax credit, and reductions in income taxes. I have also made a commitment to work toward eliminating the state income tax. Why? Because every dollar counts. It matters when families buy groceries, when seniors live on a fixed income, and when homeowners struggle with rising costs. I believe you know how to spend your money better than government does, and you deserve to keep more of what you earn. Protecting Arkansas means protecting our families and our values. I am proud to stand for the unborn, defend religious liberty, support our Second Amendment rights, back our law enforcement officers and first responders, and

stand with our military members and veterans. These are the principles that guide my service: faith, freedom, personal responsibility, and respect for the people of Arkansas. I am asking for your vote so I can

continue working to protect our values, hold government accountable, and help keep Arkansas a place where families can live freely, work hard, and build a better future.

LOWER COSTS. STRONG FAMILIES. FOR ARKANSAS.

Rick has voted for:

- ▶ Lower Income Taxes
- ▶ Eliminating state grocery tax
- ▶ Lower Used Car Sales Tax
- ▶ Lower property taxes for homeowners
- ▶ Lower costs without more government
- ▶ Senior nutrition & preventive care
- ▶ Nonprofit hospitals can run pharmacies
