HOURS

Preventing diabetes or managing diabetes as soon as possible after diagnosis may help prevent diabetes health problems.

You can start by managing your diabetes ABCs.

A is for the A1C test that health care professionals use to measure your average blood glucose levels. Some people with diabetes also use devices to track their blood glucose throughout the day and night.

B is for blood pressure.

C is for cholesterol.

Plan to attend the monthly JCRHC Diabetes Support Groups –
we're here for you!

Better Careers Start Here

Make a difference in your community. Various positions are available. To apply, visit our careers page at: jcrhc.org/careers
