# Breathe Life into Your Career

## FAST-TRACK YOUR RESPIRATORY CARE CAREER

**You don't need to spend four years in school to save lives on the frontline. Northeast Iowa Community College's (NICC) accredited Respiratory Care program prepares you to become a Registered Respiratory Therapist (RRT) in just two years.**

## WHY CHOOSE NICC?

+ **100% Job Placement:** Graduates are ready for immediate hire at local hospitals and regional medical centers.

+ **Small Class Sizes:** Intensive, hands-on training with advanced life-support tech in small groups of 8-16 students.

+ **Regional Clinical Reach:** Gain broad clinical experience across top-tier regional trauma centers through our Eastern Iowa Community Colleges partnership.

**TAKE THE NEXT STEP. APPLY TODAY.**
