

Give Thanks for Smiles Event

The Collinsville Dental Associates' "Give Thanks for Smiles" benefit fundraiser took place on November 8, 2025. Dental services, such as fillings, extractions, and cleanings were provided for a fee of \$50 for each procedure. Collinsville Dental Associates donates all materials and supplies needed for the procedures. All of the proceeds received are donated to The Warming Center of Martinsville & Henry County.

Collinsville Dental staff volunteers included 2 dentists, 3 hygienists, 2 dental assistants, and 1 office staff member. Overall, 18 patients were treated enabling a donation of \$1,100 to The Warming Center. Dental services valued at over \$3,500 were performed to help our community in coordination with this event.

The staff of Collinsville Dental Associates would like to express their appreciation to the patients who participated. We are also grateful to the staff members who generously volunteered their time to the event.
