McDowell High School

WNC Bridge Foundation

2026 **Health Scholarships**

WNC Bridge Foundation is committed to meeting the health challenges that face our region.

We believe a crucial component of that commitment is to ensure that our communities have exceptional healthcare workers.

Each year, we award \$2,000 scholarships to deserving seniors pursuing healthcare occupations. Teachers nominate these students for their potential to excel in health services.

Health Scholarships are offered to the 40 high schools in the 18 counties and Qualla Boundary of Western North Carolina.
