Subject: Critical Race Theory Resolution

Dear Chairman Kenney, President Carter, and Chancellor Green,

I am writing to express my concern over Regent Jim Pillen's proposed resolution on Critical Race Theory. Limiting (especially for political purposes) what theories may or may not be taught in NU classrooms is a violation of the Board of Regent Bylaws. That the resolution misrepresents the theory in question makes it especially egregious. I urge you and the Board to dismiss this resolution from the Board's consideration, or to speak out against it.

Sincerely,
Andrea Bolland
