Dr. Weitz

You do not represent me on the Board of Regents, however I met you at the home of Rob and Sally Lewis when you were campaigning for Regent. I am beyond disgusted with Jim Pillen's stunt on Critical Race Theory – to not have it taught at the University of Nebraska system. I am upset that he would use you, the other Regent's, and all the students you serve in the middle of his political campaign for governor. Jim Pillen and Pete Ricketts don't even understand what Critical Race Theory is.

At the college level, CRT should be taught. In our elementary and high schools across NE we should be teaching the true history of the United States.

I am asking you to vote his resolution down.
