

The safety of our students and employees is the top priority of the Cobb County School District, and the success of our students is our one goal.

We are aware of the desire of some students to participate in a demonstration of empathy for the lives lost at Marjory Stoneman Douglas High School on February 14, 2018. The Cobb County School District leadership will work with students to identify the best methods to accomplish this demonstration of empathy without interruption of normal school operation, which is a policy violation and potentially jeopardizes student and staff safety.

The Cobb County School District does not support or endorse walkouts/protests that cause interruption to normal school operations.

Students who choose to disrupt the normal operation of a school may be subject to consequences in accordance with the Student Code of Conduct.
