Subject: Pillen Resolution

Non-NU Email

Good Morning Regent Clare!

First I would like to thank you for your service as a regent and your leadership. I have always appreciated your commitment to this role.

This morning I am writing to ask you NOT support Regent Pillen's resolution against Critical Race Theory. I believe if we want the truth of this country's history to be told this is important.

I would appreciate hearing any thoughts you have regarding this.

Thanks so much for your time, Karen Hand
