Hi Jim!

My name is Jackie Ourada, and I'm a reporter at Nebraska Public Media (formerly NET). I was wanting to see if you'd be available for an interview on your proposed Critical Race Theory resolution.

I'm working on a longer story for Nebraska Public Media on this and would greatly appreciate your insight as to why you oppose the implementation of Critical Race Theory in the Nebraska University system curriculum.

An in-person interview would work the best, but I can also do a Zoom or phone interview if that works best for you.

Thank you so much,
Jackie Ourada
