Good evening Regent Pillen and Melissa,

My name is Karen Zamora and I'm a producer for NPR's "All Things Considered."

We are interested in chatting with you about your resolution opposing critical race theory as part of the university curriculum. We'd like to speak with you sometime next week -- ahead of the Board of Regents meeting.

Is this something that you would be interested in doing an interview about?

We would need approximately 15 minutes of your time, and you can do it from anywhere with access to a good clear line, as long as you're not in a moving vehicle.

Please let me know what the possibilities are. You can text or call me at [Redacted] in case that's easier.

Thank you very much!
Karen
