**Subject:** Seriously?

Dear Chairman Kenney, President Carter, and Chancellor Green,

Regent Pillen's proposed resolution concerning Critical Race Theory would appear to be an attempt to use the Board to further personal political aspirations. It is certainly a violation of Board of Regents Bylaws. In either case it is both uninformed and inappropriate, and if given oxygen will damage the reputation of the University irrevocably.

Do not allow this specious rhetorical gust to blow the flagship off course.

Sincerely,  
CB
