**Subject:** Interview Request

Hi Tim!

I'm a reporter with Nebraska Public Media News (formerly NET).

From my understanding, I believe a Regents committee is discussing Jim Pillen's proposed Critical Race Theory resolution today. I was wondering if you would be able to provide an update on the committee discussion and the future of the resolution after today's meeting. A quick phone interview would suffice if that works for you.

Thank you so much,

Jackie Ourada
