Dear Madam Chairwoman,

The City of Kennesaw will support the Cobb County Commissioners in approving a Five Year Transportation Special Purpose Local Options Sales Tax with transportation projects benefiting our community. Projects which enhance traffic mobility and the safety of our citizens throughout the county are necessary and needed now.

We encourage the Cobb Board of Commissioners to vote in favor of allowing the citizens of Cobb County the opportunity to approve a Five Year Transportation Referendum in the November 2022 election.

Very respectfully,

Derek Easterling

Dear Madam Chairwoman,

After being a part of a few discussions concerning how to move forward with a transportation referendum in Cobb County, I believe it would be in The City of Austell's best interest to support a Five-Year Transportation Tax with projects benefiting our community and South Cobb. This would allow opportunity to reevaluate after the five-year period. We encourage the Cobb Board of Commissioners to vote in favor of allowing the citizens of Cobb County the opportunity to approve a Five-Year Transportation Referendum for road and traffic projects in the November 2022 election.

Respectfully,
