

**CITY OF TAMARACK
TAMARACK, MINNESOTA
ADVERTISEMENT FOR BIDS
WASTEWATER TREATMENT PLANT IMPROVEMENTS**

Sealed Bids for the construction of the Wastewater Treatment Plant Improvements will be received, by the City of Tamarack, at the Tamarack City Hall, 235 Main Street North, Tamarack, MN 55787, until 10:00 AM local time on Thursday, December 5, 2019, at which time the Bids received will be publicly opened and read. The Project generally consists of the following:

- Abandonment of an existing constructed wetland
- Installation of underground aerobic treatment unit
- Installation of underground equalization tank
- Installation of ultraviolet disinfection system
- Installation of underground piping
- Modification of existing piping and structures
- Replacement of existing blower
- Installation of new controls in existing control building
- Electrical improvements

Bids will be received for a single prime Contract. Bids shall be on a lump sum basis, with additive alternate bid items as indicated in the Bid Form.

The Project Manual is available on QuestCDN (www.questcdn.com). You may download the digital plan documents for \$20.00 by inputting Quest project #6553098 on the website's Project Search page. Please contact QuestCDN.com at 952-233-1632 or info@questcdn.com for assistance in free membership registration, downloading, and working with this digital project information.

Direct inquiries to Project Manager Peter Daniels at (763) 252-6838.

Bid security shall be furnished in accordance with the Instructions to Bidders.

A contractor responding to this solicitation document shall submit to the city a signed statement under oath by an owner or officer verifying compliance with each of the minimum criteria in Minnesota Statutes, section 16C.285, subdivision 3. The term 'responsible contractor' as used in this solicitation document means a contractor as defined in Minnesota Statutes, section 16C.285, subdivision 3. Any prime contractor or subcontractor that does not meet the minimum criteria in Minnesota Statutes, section 16C.285, subdivision 3 or fails to verify that it meets those criteria is not a responsible contractor and is not eligible to be awarded the construction contract for the project or to perform work on the project. A false statement under oath verifying compliance with any of the minimum criteria shall render the prime contractor or subcontractor that makes the false statement ineligible to be awarded a construction contract on the project and may result in termination of a contract awarded to a prime contractor or subcontractor that submits a false statement. A prime contractor shall submit to the city upon request copies of the signed verifications of compliance from all subcontractors of any tier pursuant to Minnesota Statutes, section 16C.285, subdivision 3, clause 7. Refer to the contract documents for additional requirements associated with the Responsible Contractor Law.

Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A -Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All listed iron and steel products used in this project must be produced in the United States. The term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and construction materials. The de minimis and minor components waiver apply to this contract.
