

# **NOTICE OF INTENT TO APPLY**

ARDC intends to apply for the Minnesota Department of Transportation (MNDOT) 2019 Greater Minnesota Regional Transportation Coordinating Councils Phase 2: Implementation Grant on behalf of the Arrowhead RTCC. The purpose of the Arrowhead RTCC is to improve access, availability and options for transportation services in northern Minnesota. 12-month implementation funding is sought to support initial RTCC planning and coordination efforts related to volunteer driver programs, vehicle sharing, development of a transportation provider database, regional transit planning, and transit rider training. Further information regarding the Arrowhead RTCC and ARDC's intent can be found at [ardc.org/RTCCPlanning](http://ardc.org/RTCCPlanning)
