WAITING CHILDREN MINNESOTA

A partnership of Adams Publishing Group and Foster Adopt Minnesota to find homes for kids seeking adoption or foster families.

Landon, 11, is sociable, outgoing, and enjoys being around others. He can converse naturally on numerous subjects.

When with peers, Landon is quick to organize a game of tag or other activities. His heart for helping others has been displayed through outdoor projects, baking, cooking, and cleaning. He is a quick learner with a methodical mind that thrives on understanding how things work, from assembly to disassembly. Landon enjoys Rollerblading, kayaking, swimming, and exploring nature. Landon often has two or three books started at one time. He likes listening to music, watching movies, and playing electronic games. Landon will need to maintain contact with his brother. Only MN families are being considered at this time.
