

# More local class reunions - this time with names

by Bob Statz

Editor's note: The *Messenger* has heard from several readers who've requested the addition of names (if possible) of the high school alum pictured in the reunion pictures we've run this past summer. Below is the picture and names of those who attended a recent reunion of the OHS class of 1995, along with a reprinting, this time with names, of those who attended the OHS Class of 1980 reunion.
