### FALL SERVICE SPECIAL CUSTOMERS,

Not enough space to store your lawn mower for the winter season? Do you want to be confident that your lawn mower is going to be ready to go for spring after sitting all winter? Midwest Machinery Co. in Baxter and Aitkin are offering a Winter Storage Program to our valued customers!

This special value package includes: pickup/delivery of your machine or free use of our loner trailers, a full 14-point annual service special, and storage for the winter months in an indoor secure building onsite at our MMC locations. Take comfort and have reassurance that your equipment will be ready to work when it's time to tackle those outdoors springtime chores. Take advantage of this special offer today as space is limited. Let MMC handle your winter storage and service needs!
