

January **WAITING CHILDREN** **MINNESOTA**

A partnership of Adams MultiMedia and MN ADOPT to find homes for kids seeking adoption or foster families.

Levi, 15, is a smart and active young man who is always prepared with an interesting story or fact. He loves inventing and enjoys sharing his creations with others.

His creativity shines as he combines imagination with Lego projects, building materials, cardboard boxes, or random recyclables.

Levi has an interest in machinery that makes loud noises such as dump trucks or garbage trucks. He enjoys being outdoors, biking, riding peddle go-carts, swimming, and going to the park.

When not creating new inventions or spending time outside, he'll often be relaxing in his room listening to music.
