## Postsecondary

Miami-Dade County Public Schools operates six technical colleges and one specialized center that offer over 60 postsecondary certificate programs in business administration, commercial arts and 3-D animation, commercial foods, culinary arts and baking, construction and apprenticeship, licensed childcare, health occupations, information technology, personal services, public safety and security, manufacturing, and transportation. These programs prepare students for employment. For information regarding our technical colleges and many postsecondary programs, please visit [www.adulteducationworks.com](http://www.adulteducationworks.com) or call 305-558-8000.

The district prohibits discrimination in the terms and conditions of employment and in access to educational programs and activities and prohibits harassment of any individual or group on the basis of race, color, national origin, religion, sex, age, disability, marital status, sexual orientation or genetic information.

Lack of English skills will not be a barrier to admission and participation. The district may assess each student's ability to benefit from specific programs through placement tests and counseling, and, if necessary, will provide services or referral to better prepare students for successful participation.

## Secondary

Miami-Dade County Public Schools offers career and technical education (CTE) programs at the middle and high school levels. Many of these programs prepare students for entering postsecondary CTE programs or employment. For information regarding specific CTE programs (including programs at Choice schools), please visit <http://dcte.dadeschools.net> or call 305-693-3030.

The district prohibits discrimination in the terms and conditions of employment and in access to educational programs and activities, and prohibits harassment of any individual or group on the basis of race, color, national, origin, religion, sex, age disability, marital status, sexual orientation or genetic information.
