Dear Shannon Rose,

The service request for service issue #111-1, 'Window leaks air or water' was completed on 6/16/2022 12:00:00 AM.

The service technician completed your work order. If the service request was not completed to your satisfaction, please contact the property manager immediately.

Thank you,

 Fashion Designs
I do not believe you. I want to see all the reports and the work done to fix the problem.
