

LOOKING FOR A CAREER IN SALES?

Today's challenges need people who are ready to be part of the solution to overcoming obstacles. Having said that, if you can answer yes to the following questions, then I want to talk to you.

- Do you like collaborating with clients to make them more successful?
 - Do you like being the best at your craft?
- Are you looking to find a career that is different every single day?
 - Can you operate independently and drive results?

If you answered all of these questions positively, DR Media & Investments, LCC, publishers of the *Clermont News Leader*, wants to talk to you.

DR Media is a drug-free workplace and we do a drug screen prior to employment.

Earning potential 50K and up.
