local business with financing or assisting customers with their everyday banking needs, we take pride in building relationships, not just accounts. We believe great banking starts with listening, understanding our customer's goals and providing local decisions backed by responsive, personalized service. This award reflects the trust our customers place in us every day, and we are grateful for every vote.

At MRV Banks, we believe banking is about investing in people and the communities we call home. Our St. Charles team is proud to support local schools, nonprofits, businesses and community events while providing innovative financial solutions with the personal attention only a community bank can offer. Every customer who walks through our doors is more than an account number - they're our neighbors, friends and local business owners.

We sincerely thank the readers of Mid Rivers Newsmagazine for naming us Best Bank 2026 and our loyal customers for allowing us to serve them. We look forward to continuing to earn your trust by delivering personalized service the MRV Way for years to come.

Being named Best Bank in the Best of Mid Rivers 2026 Reader's Choice Awards is an incredible honor because it comes directly from the people and businesses we proudly serve. Since opening our St. Charles Banking Center in 2022, the team at **MRV Banks** has been committed to delivering the kind of personalized banking experience that sets community banks apart.
