Whether it's a special occasion, a middle-of-the-week dinner, or lunch on Friday or Saturday, **Erio's Ristorante** offers a menu loaded with fresh options. Guests can choose from family-friendly staples, such as pasta, pizza and paninis, or date-night and celebration-worthy entrées, such as hand-cut steaks and sumptuous seafood.

"I know it's cliché, but everything's good. Everything is fresh and made the Sicilian way – one order at a time," said Joe Creach, who owns Erio's Ristorante with his brother, Andrew.

One menu item he can't resist recommending is the Bistecca Alla Siciliana, a char-grilled 14-ounce strip steak crusted in homemade Italian bread crumbs and served with a tomato, olive oil and garlic dipping sauce. In addition to the regular menu, Joe suggests checking the specials board, which changes daily.

"We're getting wonderful seasonal ingredients from local farmers," Joe said, "and our seafood, chicken and beef are always of the highest quality. That includes the ocean clams, scallops and Gulf shrimp used in our Linguine Tutto Mare and our customer-favorite Chilean Sea Bass."

Expertly prepared fresh ingredients, a friendly atmosphere and a great staff are why generations of customers have chosen Erio's Ristorante for their engagements, wedding anniversaries, milestone birthdays and weeknight dinners.

The restaurant is open from 4-9 p.m. Monday through Thursday and from 11:30 a.m.-10 p.m. on Friday and Saturday. Its food is also available for home delivery via DoorDash, but as any loyal customer can attest, you can't beat dining in.

"One word of advice, reservations are recommended on Friday and Saturday nights," Joe said.
