summercamp

Offering a day camp, STEM camp, esports camp, and sports camps, Whitfield has something for everyone! Session dates, times and age ranges vary. Camp Whitfield is a day camp where campers entering grades kindergarten through seventh enjoy technology-based activities, art experiences, crafts, sports, and games. Lunch, snacks, and material fees are included; before/after care options are available for an additional fee. STEM Camp combines hands-on labs, engineering challenges, digital investigations, and more. Esports camps include an introduction to esports, health and esports, effective communication, and sportsmanship. Sports Camps are perfect for athletes at any level. Offerings include girls volleyball and dance.
