

DEREK & ASHLEY GRIER, OWNER/BROKER

There are new opportunities for real estate professionals as Derek and Ashley Grier open the first **Realty ONE Group** real estate brokerage in St. Louis and St. Charles. Realty ONE Group, known as the UNBrokerage, was Entrepreneur's #1 real estate company in the country in 2021 and has more than 18,000 Realtors in 49 states and

9 countries.

Ashley and Derek plan to introduce several offices throughout St. Louis and St. Charles over the next few years. A new headquarters in Chesterfield is planned for November.

The Grier's have a vision for what the future holds and believe "the real estate industry is rapidly changing; agents are hungry for a modern lifestyle brand that can provide support, training, resources, a fun culture, and a commission structure that allows agents to keep more of what they earn."

Derek has been in real estate his entire career, including property management, commercial, investing, and residential brokerage. Prior to becoming an agent and co-founding Realty ONE Group, Ashley was in education serving as the Executive Assistant to the Head of School and the Varsity Volleyball coach at Principia School.

Now, the pair, owners of Realty ONE Group, are looking for agents to join the UNBrokerage to make an impact for good in the St. Louis and St. Charles market.
