This summer, Inertia School of Dance is going “Under The Sea” for a dance camp your child won’t forget! Campers will spend four days under the sea learning fun dances, building tropical crafts they can take home daily, playing interactive games and making new friends! It sure is beautiful under the sea, and we can’t wait to adventure deep into the ocean blue with some fun dance grooves! Camp is July 10-14 for kids ages 3-10 years. No dance experience necessary. To learn more and register, visit www.inertiadance.com. Let’s explore Under the Sea!
