

Your table is waiting

What's better than family or friends gathered around a breakfast table laden with fluffy pancakes, Belgium waffles, crisp bacon, fruit-topped French toast and eggs cooked to perfection? Someone to serve it with a smile!

At **Golden Oak Pancake House**, you'll find all this and more, served with a bottomless cup of steaming hot coffee from 7 a.m.-2 p.m., Tuesday through Sunday.

Key to the restaurant's growing popularity is its menu variety and generous portion sizes.

"We never want anyone to leave hungry," said Alban Asani, who operates the St. Peters location of the family-owned restaurant chain. "My family has over 50 years of restaurant experience. We know how to do it right."

Everything is made fresh to order, from breakfast standards to lunch favorites. With a variety of sides

and add-ons, each meal also is uniquely customizable.

"We use the freshest blueberries, bananas and strawberries to top our signature buttermilk pancakes, waffles and French toast," Alban said. "The same holds true for the vegetables we use in our savory dishes."

The restaurant offers an impressive array of breakfast skillets, burritos, omelets and bagel sandwiches. Try the three-egg Irish Breakfast Skillet, featuring hash browns, corned beef hash, onions and cheddar cheese. Or head south of the border with a three-egg omelet or burrito featuring sausage, onions, green pepper, tomatoes, cheddar cheese and jalapenos.

For lunch, guests can choose from classic sandwiches like a BLT or creative wraps.

"We have something on our menu to please everyone, and large parties don't scare us," Alban said. "Our employees are the best in the business and provide great customer service."
