DaySpring Arts and Education takes summer camp to a new level! Week-long camps feature Arts and STEM experiences. STEAM Camps blend fun with creative educationally-based training where children engage critical thinking and creative skills. Professional artists and educators lend their expertise in art, engineering, dance, drama, musical theatre and circus. Each day students take weekly themed science and art classes to prepare a parent showcase for the last day. Ages 6-13, attend from 9 a.m. to 4 p.m. daily. Preschool Camps and Before and After care are available. Take 10% off for multi-week or multi-child registrations! DaySpring also offers Summer Workshops in Music, Theatre, Dance and Theatre Performance Intensives. See all classes at www.dayspringarts.org/summer.
