It's time to get "Ready, Set, Move!" this June during Summer Blast at Pathfinder Church. Kids ages 4 through 5th grade will experience a week welcoming to all, filled with energy, high-production and biblically-focused. They'll build community with friends and make new ones through fun music, skits, interactive Bible stories, and creative science and craft lessons. Kids will MOVE in their faith, learning to follow Jesus, do what he says, believe who he is, love who he loves and share what he did with those around us. Registration opens April 1 at pathfinderstl.org/summerblast.
