

TOP DOCTORS®  
2022

Castle Connolly Top Doctors is a healthcare research company and the official source for Top Doctors for the past 25 years. Castle Connolly's established nomination survey, research, screening and selection process, under the direction of an MD, involves many hundreds of thousands of physicians as well as academic medical centers, specialty hospitals and regional and community hospitals all across the nation.

The online nominations process - located at [www.castleconnolly.com/nominations](http://www.castleconnolly.com/nominations) - is open to all licensed physicians in America who are able to nominate physicians in any medical specialty and in any part of the country, as well as indicate whether the nominated physicians is, in their opinion, among the best in their region in their medical specialty or among the best in the nation in their medical specialty. Once nominated, Castle Connolly's physician-led team of researchers follow a rigorous screening process to select top doctors on both the national and regional levels.

Careful screening of doctors' educational and professional experience is essential before final selection is made among those physicians most highly regarded by their peers. The result - we identify the top doctors in America and provide you, the consumer, with detailed information about their education, training and special expertise in our paperback guides, national and regional magazine "Top Doctors" features and online directories.

Doctors do not and cannot pay to be selected and profiled as Castle Connolly Top Doctors

Physicians selected for inclusion in this magazine's "Top Doctors" feature also appear online at [castleconnolly.com](http://castleconnolly.com), or in conjunction with other Castle Connolly Top Doctors databases online on other sites and/or in print.

Castle Connolly was acquired by Everyday Health Group (EHG), one of the world's most prominent digital healthcare companies, in late 2018. EHG, a recognized leader in patient and provider education, attracts an engaged audience of over 53 million health consumers and over 780,000 U.S. practicing physicians and clinicians to its premier health and wellness websites. EHG combines social listening data and analytics expertise to deliver highly personalized healthcare consumer content and effective patient engagement solutions. EHG's vision is to drive better clinical and health outcomes through decision-making informed by highly relevant data and analytics. Healthcare professionals and consumers are empowered with trusted content and services through the Everyday Health Group's flagship brands including Everyday Health®, What to Expect®, MedPage Today®, Health eCareers®, PRIME® Education and our exclusive partnership with MayoClinic.org® and The Mayo Clinic Diet.® Everyday Health Group is a division of J2 Global Inc. (NASDAQ: JCOM), and is headquartered in New York City.
