Trails Coordinator

### **River Drive North Trail Improvements Project Temporary Closure on Trail**

**Great Falls, Montana** – Park and Recreation will begin a trail improvement project on a portion of River’s Edge Trail. The “River Drive North Trail Improvements Project” will begin September 15, 2021 and finish by October 28, 2021, weather permitting. The project will replace the existing asphalt trail with a concrete trail surface from Central Ave. West northbound to the crosswalk near the Skate Park on the River’s Edge Trail. The portion of River’s Edge Trail within the work zone will be closed during construction. In addition, there may be periodic lane closures on River Drive North.

This project will improve the longevity and usability of this section of trail, further enhancing River’s Edge Trail.
